

## **Job Description: Salesforce Developer (Individual Contributor)**

**Position:** Salesforce Developer (Individual Contributor)

**Location:** Hybrid, Base Location Pune

**Employment Type:** Full-Time

**Experience Required:** 1-3 Years

### **About the Role:**

We are seeking a motivated Salesforce Developer with 1-3 years of experience to join our team as an individual contributor, you will play a key role in developing custom applications, features, and integrations on the Salesforce platform. Your contributions will directly impact our business processes and customer satisfaction.

### **Key Responsibilities:**

- Develop custom applications, features, and integrations on the Salesforce platform.
- Collaborate with business analysts and project managers to analyze requirements and translate them into technical solutions.
- Create and maintain technical documentation, including design specifications and user guides.
- Ensure the quality and performance of applications through thorough testing and debugging.
- Provide ongoing support and maintenance, including issue resolution and enhancements.

### **Skills Required:**

- 1-3 years of experience as a Salesforce developer with a strong understanding of the Salesforce platform, its architecture, and limitations.
- Proficiency in Apex, Visualforce, Lightning Components, and other Salesforce development tools.
- Familiarity with version control systems like Git/Bitbucket, issue tracking with Jira, and CI/CD pipelines (such as Jenkins).
- Salesforce Developer certification(s) (e.g., Platform Developer I and II) are a plus.
- Strong problem-solving skills and attention to detail.
- Excellent communication and collaboration abilities.

### **What We Offer:**

- Competitive salary and benefits package.
- Opportunities for professional growth and development.
- A collaborative and innovative work environment.
- Flexible working hours and remote work options.

**How to Apply:** Interested candidates are invited to submit their resume and a cover letter detailing their relevant experience and qualifications to [recruitment@scalean.io](mailto:recruitment@scalean.io).
